

PROJECT AND INTEGRATE ENERGY EFFICIENCY IN BUILDINGS

September 28th 2011

*Banca Nazionale del Lavoro (BNL) Conference Auditorium
Rome, Piazza Albania, 33*

<Provisional Schedule>

- 9.00** **Registration**
- 9.15** **Opening and work coordination I° SESSION**
Edgardo Curcio, AIEE (President)
- 9.30** Presentation Schneider
- 10.00** Stefano Petruzzi, *President ANCE Lazio*
- 10.30** Alberto Pincherle, *President Sezione Giovani AIEE*
- 10.50** Paolo Pietroluci, *President Confedilizia Lazio*
- 11.10** Alessandra Tarquini, consultant
Diagnosi energetica: il primo passo verso l'efficienza
- 11.20** **Coffee Break**
- 11.40** **II° SESSION**
- 11.50** *coordination* Flavio Rottenberg, Master MEA and Francesco di Filippantonio (AIEE-G)
- Master MEA students: presentation Project Works on energy efficiency on buildings
- 12.00** 1° thesis
- 12.15** 2° thesis
- 12.30** 3° thesis
- 12.45** Prize award for the Best Thesis 2011
- 13.00** **Lunch buffet with Poster presentation**
- 14.40** **Round Table:**
Coordination G.B. Zorzoli, President ISES ITALIA
- Participants:*
Rino Romani, *Head Energy Efficiency Unit of Agenzia nazionale per le nuove tecnologie, l'energia e lo sviluppo economico sostenibile (ENEA)*
Marcella Pavan, *Head of the Management and Demand Control Unit of Autorità per l'energia elettrica ed il gas (Italian Energy and Gas Regulator)*
Dario di Santo, *General Director of FIRE (Federazione Italiana per l'Uso Razionale dell'Energia)*
Pierangeolo D'Antonio, *President of the Alternative and Renewable Energy Commission of the Ordine Ingegneri Provincia di Roma (Engineers' Association)*

15.30	Debate
15.40	Coffee break
16.00	III INTERNATIONAL SESSION (IAEE) <i>Coordination: Ugo Farinelli, AIEE (Secretary General); Alberto Pincherle (AIEE-Giovani President),</i> 4 IAEE presentations (15' each)
17.00	Best International Work Award
17.30	Closure

Scientific Committee: Ugo Farinelli (AIEE), Alberto G. Pincherle (AIEE-G), Francesco Andreotti (ISPRA).

Submission of Abstracts: please submit your abstract (max. 500 words in English to: albertopincherle@gmail.com). The following information should be included: Name of authors, Affiliation, and email addresses of the authors and coauthors; Title of paper, a maximum of 5 keywords. The papers will be subject to an evaluation by the Scientific Committee.
Please indicate if interested in publication (see below Work Dissemination).

Work Dissemination of best papers: Following the Author's and Coauthors' agreement, full papers in English will be submitted to two Italian Energy Journals (*Nuova Energia* <http://www.nuova-energia.com/> and *Gestione Energia* http://www.fire-italia.it/caricapagine.asp?target=rivista_gestione_energia.asp) be evaluated by their Scientific Committees for publication.

Full papers details:

- "Nuova Energia": between 8.000 and 10.000 characters (spaces included), 2/3 pictures (high resolution) including one of the Author/s, 2/3 graphs or charts (together with data in excel). File in word format (.doc). One short abstract is welcome). All images in .jpg format.
- "Gestione Energia": max. 10.000 characters (spaces included), 2/3 pictures (high resolution), 2/3 graphs or charts (together with data in excel). File in word format (.doc). All images in .jpg format.

The participation at the workshop includes free coffee break and lunch. Travel costs are at your own expense.
