

**IAEE French and Swiss Student
Chapters Initiative for
Common Workshops in 2011**

**CALL FOR PAPERS
3rd FRENCH STUDENT CHAPTER WORKSHOP**

**Centre for Economics & Management
IFP School, Rueil-Malmaison/Paris
Thursday, July 7, 2011**

Aim of the Workshop:

The aim of the workshop is to give PhD students working in energy economics the opportunity to present their work, master theses or dissertations. The collaboration with the Swiss student chapter was settled in order to ease the knowledge exchange and interaction on European level. The topics for the presentations can be more theoretically or empirically and can, among others, address the following aspects: competition and economic regulation, analysis of sector-specific aspects and case studies, innovative technologies economics and strategies.

This year, our French seminar will take place in parallel with the:

Centre for Competition and Regulatory Summer Workshop, organised jointly with the Regulatory Policy Institute and IFP School Centre for Economics and Management at IFP School on July 7 (afternoon) and 8, 2011. PhD students are more than welcome to attend the CCRP workshop on Friday, 8th. The workshop dinner on Thursday evening will be for both events.

Submission of abstracts:

We would like to invite you to submit a short abstract of work-in-progress (maximum 500 words in English) before May 10 as pdf or word file to: elodie.lecadre@ifpen.fr

You will be informed by May 31, 2011 about the acceptance of your contribution.

Completed drafts are due by June 20th, 2011 so as to allow discussants time to review the work and prepare their comments.

Participation:

The workshop will take place on July 7, 2011 at IFP School, Rueil-Malmaison near Paris (www.ifp-school.com). The participation at the workshop including coffee breaks and lunch is free.

Address: IFP-School, 228, avenue Napoléon Bonaparte 92852 Rueil-Malmaison cedex.

Registration: Submission form attached to the e-mail. Please send it to: eventCEM@ifpen.fr
